Dennis — I would love to meet with you regarding marine litter and plastic waste and discuss what the EPA is doing internationally. **Ex. 6 Personal Privacy (PP)** Could we work for another time or call?

Thanks Chad

Sounds good, thanks Ryan.

Nancy, Chad, Steven – let me know how you'd like to proceed with scheduling, if possible.

I have removed Peter from the email chain for simplicity sake since this would be a meeting with The Dow Chemical Company. Dennis

Ryan,

Finding solutions re plastic waste and marine debris is an important priority for Dow. We would love to collaborate with EPA in any way possible to address the issue. I will have a couple of executives in town

on Oct 15-16 and I would love to meet with you and your leadership team, including Nancy Beck, Chad Macintosh and Steve Cook. Looking for 30 minutes if possible.

Thank you for your consideration. Dennis
